# Living on the razor's edge?

## Are you ready for Thursday October 11 1984?

It's the debut of ESPIONAGE—the *first* digest magazine devoted entirely to the oft-laudable, oft-despicable netherworld of spies...secret agents...moles...cover-ups...secret codes...the men and women who conduct and misconduct the top-secret world of government spy wars. They, and more, are all in ESPIONAGE MAGAZINE, 164 pages, six times a year.

Check your local newsstand *beginning* October 11, 1984, and be sure you get the premiere issue of ESPIONAGE (a collector's item!).

Inspect the unexpected...To get a subscription to this primarily fiction, lavishly illustrated, brand-new spy magazine, send \$11.70 (a savings of \$1.50 off newsstand price), in check or money order (in U.S. funds), made payable to LEO 11 PUBLICATIONS, LTD., and send to SUBSCRIPTION P DEPARTMENT, ESPIONAGE MAGAZINE, P.O.
